## Point Pod Multi

### FEATURES

Point Pod Multi provides access to power points and USB sockets, without compromising the design of your bench tops.

The hidden pop-up power outlet is neatly concealed within an acrylic, stone or timber bench top. Using an electric lift, simply press the top of the unit and it emerges from the bench top, ready for use.

Ideal for kitchens, offices and work spaces, Point Pod Multi allows customers to run multiple applications at once.

- Available in Black and Silver (Silver has white sockets and surrounds)
- 3 x Power sockets
- 2 x 2.1amp USB ports - USB-A and USB-C
- Material Polyamide and ABS
- IP44 Ingress rating, protected from solids larger than 1mm and protected against splashing of water from any direction (Indoor use only)
- 10amp or 2400W
- Hole size cut out 102mm
- Inner disc: 93mm
- Space required in cabinet: 550mm depth, 160mm in diameter at mounting flange, 102mm diameter for body
- Supply voltage 240V ac 50Hz
- Cable length 1.9m
- Installed in acrylic, stone or timber bench tops

**Note:** Australian designed and engineered.  
Australian approval number: GMA-504353-EA
